What Will I Do There?

You will work alongside Guatemalans and provide assistance to some of the following ministry opportunities:

- | | |
|-------------------|--------------------------|
| Heath care | Sports |
| Water projects | Cooking Stoves |
| Shelter | General carpentry |
| Education | Working with street kids |
| Ladies Ministries | Leadership Development |

Though the outreach is two weeks long, you will begin your missions experience when you apply.

Preparing for outreach through fundraising, team meetings, and other related activities is a spiritual journey that will be a landmark in your relationship with God.

You will return home with a fresh fire and vitality for reaching the lost. Let this kindle a fire for missions in your heart.

If anyone serves Me, let him follow Me; and where I am, there My servant will be also. If anyone serves Me, him My Father will honor.

Trip Highlights

Our outreaches provide a unique platform for North Americans to minister the Gospel more fully, both at home and abroad.

Work accomplished by our teams is strategic in developing local ministry among the indigenous of Guatemala.

You will touch the poor in ways relevant to their lives by serving their real needs both physically, spiritually and relationally.

We have chosen projects that are a high priority to local ministries and will have a beneficial long-term impact on the local body of believers and the communities in general.

You will get maximum exposure to and personal friendships with your national missionary, Luis Castillo, his family and his ministries, Nueva Generacion and Cassa Biblica.

Though the trip can be spiritually demanding, be prepared to know an intense joy in the Lord as you take an in-depth look at missions and experience the transforming power of Jesus.

Consider the role you can play in the Great Commission at home and in Guatemala.
